

M CLUB

LIKE NOWHERE ELSE.

WELCOME TO GOLF DE LA MASKINONGE'S
M CLUB.

An experience of peerless nature...
luring you off the beaten path.

Distinguished by subdued, uncluttered styling, the Golf de la Maskinonge's new M Club is unlike anything you've come to expect from a private club. Exclusive, because you can, if you choose, make it yours. Rustic, to remain true to its history. Contemporary, in the decidedly different manner in which it blends nature, fine cuisine, friendly service, and design elements.

Located less than 90 minutes from Montréal, midway between Mont-Tremblant and Montebello, the M Club is nestled in the mountains. Modestly set amidst over 50 acres of breathtaking views, it beckons you to enjoy a unique experience customized to your needs and personality.

When it comes to a day or evening gathering with friends, family or business associates, the M Club is...like nowhere else.

Relaxed and open
to every possibility.

Infinite possibilities for those in-the-know. The M Club says no to serial fits-all packages, welcome gifts and breakfast included formulas. Here, there's just one way to go: customization. That's it.

Spring, summer and fall, you get to choose it all: the day, the time, the activities, the chef, the menu, even the wine selected from our cellar of private imports.

The M Club becomes, for all intents and purposes, your own private club for the day. You get unlimited access to the magnificent Golf de la Maskinonge course, secluded spa, Finnish sauna, hiking trail, meeting room and dining room with terrace accommodating 20 to 60 persons.

Here are the keys. The M Club is yours.
